Curriculum vitae

Gabriel Hoyuelos

Nationality: Argentine
g300702@dac.unicamp.br
6 November 2026

Education

PhD in Mathematics
Universidade Estadual de Campinas
2026-present

Licenciatura in Mathematical Sciences
Universidad Nacional de Mar del Plata
2021-2025
Grade average: 9.46/10.

Scholarships

FAPESP Direct Doctorate Scholarship
Fundação de Amparo à Pesquisa do Estado de São Paulo
Supervisor: Christian Olivera
March 2026-present

UNMdP Advanced Undergraduate Scholarship
Universidad Nacional de Mar del Plata
Supervisor: Ignacio García
April 2025-March 2026
Ranked 1st among 96 applicants university-wide.

IMPA Summer Program
Instituto de Matemática Pura e Aplicada
January-February 2025

Teaching experience

Student Teaching Assistant
Department of Mathematics, FCEyN, Universidad Nacional de Mar del Plata
April 2025-present
Courses: Introduction to Algebra; Linear Algebra 2.

Student Teaching Assistant
Department of Mathematics, FCEyN, Universidad Nacional de Mar del Plata
April 2024-March 2025
Courses: Linear Algebra 2; Calculus 2.

Student Teaching Assistant
Department of Mathematics, FCEyN, Universidad Nacional de Mar del Plata
April 2023-March 2024
Courses: Introduction to Algebra; Linear Algebra 2.

Additional coursework

Introduction to Complex Dynamics
Instituto de Matemática Pura e Aplicada
January-February 2025 · 48 hours
Master's and doctoral level
Grade: A-

Conferences and schools attended

III Encuentro Conjunto RSME-UMA
Instituto Balseiro · 1-5 December 2025

XIII Encuentro de Matemáticas Mar y Sierras
Universidad Nacional del Centro de la Provincia de Buenos Aires · 13-14 March 2025

IMPA Summer Program
Instituto de Matemática Pura e Aplicada · January-February 2025

Escuela de Invierno Luis A. Santaló 2024
Universidad de Buenos Aires · 5-9 August 2024

XII Encuentro de Matemáticas Mar y Sierras
Universidad Nacional de Mar del Plata · 24-25 November 2023

Reunión Anual de la Unión Matemática Argentina
Universidad Nacional de Salta · 19-22 September 2023

Reunión Anual de la Unión Matemática Argentina
Universidad Nacional del Comahue · 20-23 September 2022

Languages

English: B1+. Currently taking Level 4 at the UNMdP Language Laboratory.
Spanish: Native.
Portuguese: Intermediate-advanced.

Programming languages

Python, JavaScript, R, Rust, Java.
